## EDUCATION

### B. Tech in Computer Science

Global Nature Care Sangathan Group of Institution  
Jabalpur [MP]

02/2019 - Present,

8.5CGPA

### 12th Boards

Ryan International School Jabalpur

02/2018 - 02/2019,

71.8% in CBSE Boards

## PERSONAL PROJECTS

### WEATHER APP VIA CITY NAME

- By entering the city name, we can get the weather condition of that location. Basically through city name the app fetches the Latitude and Longitude of that area and Sets(Displays) the information on the User screen.
- Technology used- openweathermap( API ), Java, Xml

### SHORTEST PATH FINDER

- This app basically finds the shortest path between the initial and final position as entered by the user.
- This app automatically redirects to the Google Map so as to track the path and the additional details too.

### AIRLINE MANAGEMENT SYSTEM

- The system allows us to add records when a passenger reserves a ticket.
- The system provides much information like passenger's information, criminal's, list of all passengers etc.

### APP DEVELOPER-OPEN SOURCE

- It is an open source repository containing important app development concepts.
- The topics included are Intent, RecyclerView, Multiple RecyclerView's etc..

## WORK EXPERIENCE

### Solution Provider(IT)

Edumanta Educational Service's

02/2021 - Present,

Delhi, India

#### Achievements

- Proved successful working with tight deadlines and fast-paced atmosphere.
- Resolved problems, improved operations and provided exceptional services.
- Used critical thinking to breakdown problems, evaluate solution and make decisions.

## SKILLS

Core Java

Android App Development

XML

Firebase

Data Structures

Algorithms

C programming Fundamentals

Github

Android Studio

Hibernate

JDBC

AWS CLOUD

Kubernetes

## CERTIFICATES

ANDROID APP DEVELOPMENT FROM  
MYCAPTAIN (04/2021 - 04/2021) [🔗](#)

*With the Mentor of My Captain Team, I have learned a lot about android app Development. My mentor helped me to create the projects too.*

CORE JAVA DEVELOPMENT FROM MYCAPTAIN  
(05/2021 - 05/2021) [🔗](#)

*My mentor has taught me well about the basics of Java and also guided how to work with Collection's and Frameworks, GUI.*

C programming Fundamentals  
(09/2020 - 09/2020) [🔗](#)

*With the professor's of Duke University I have learned about the basics of Programming Fundamentals.*

Participated in GUVI (AI for India 1.0 associated  
with AICTE)

[Face Recognition Application using python](#)
